

**Subject: Dolls, Dolls' Houses & Teddy Bears Auctions at SAS with Daniel Agnew**

**April 2013 – Written by Neil Shuttleworth**

Special Auction Services are delighted to announce a very exciting collaboration with Daniel Agnew ([www.danielagnew.com](http://www.danielagnew.com)), the internationally-renowned Doll and Teddy Bear specialist.

This year he will hold his inaugural sale on the **18<sup>th</sup> July 2013** and a second sale will be held on the 28<sup>th</sup> November 2013.

Following on from the success of his three auctions held under the banner "The London Toy Auction", combining forces with SAS will give the auctions organised by Daniel the extra push to take them to the next level. Special Auction Services is a long established auction business, dealing with specialist subjects such as diecast and tinsplate toys, trains, toy soldiers, film and pop memorabilia, ephemera, mechanical music, postcards, cigarette cards and cameras, along with regular auctions of jewellery, silver and antiques.

The 'boy's toys' at SAS are now one of the leading UK auction houses in this subject. Bringing Daniel in to develop and establish a dedicated regular specialist Doll and Teddy Bear auction will make SAS 'the' place to sell antique and collectable dolls and toys in the UK and in the near future a leader internationally...

Daniel Agnew – *'I feel this is the next natural progressive step for me and I feel confident that these specialised auctions of dolls and Teddy Bears will grow and grow. It will be good to work alongside my old colleague and toy specialist Hugo Marsh and our goal is to establish an auction for collectors similar to the Christie's heyday.'*

The auctions will be held at the strategically located Special Auction Services salerooms, on the West side of the M25, very central and accessible for the whole of the UK.

If you have anything you wish to consign in either of the two 2013 or future auctions, please contact SAS on 01635 580 595 or Daniel on – (+44) 0751 500 4635, or email: [daniel@specialauctionservices.com](mailto:daniel@specialauctionservices.com).

Daniel's sale will be entitled Dolls, Dolls' Houses, Teddy Bears and Traditional Toys and will include a good mixture of antique and vintage dolls, dolls' houses and their chattels, antique, vintage and collectable Teddy Bears and soft toys, puppets, rocking horses, Noah's Arks, wood, composition and paper traditional toys and games, automata and much more.

We look forward to hearing from you, if you have items to consign or wish to add to your collection.

For our inaugural sale, if you wish to receive a complimentary catalogue, please send a letter to us here at SAS, or an email to Daniel (see above).

Please join us in welcoming Daniel to the SAS team and we look forward to seeing you at the auctions.
