General News:

A big Thank you! to many of our vendors for donating their unsold lots to our charity – Alexander Device Children's Cancer Trust – who after a couple of auctions will be receiving well over £600. We will keep you informed of the charity's progress from time to time, and we hope you can offer your support as well.

Not matter what the weather here at SAS we try and make sure we get the delivery of our catalogues done ahead of an auction:

Here are a couple of photographs of Bob and Neil loading the mail for delivery ahead of the Toys for the Collector auction on 31st January...

Thomas is going to run the Great North Race in September. He will be running alongside other TV Antiques Experts Charles Hanson, Philip Serrell, James Braxton and several others to raise money for a very worthy charity called Sands (Click Here - <http://www.uk-sands.org/home.html>). We will bring you more information and Thomas' training regime soon.
